PARTYCOVER 300 SERIES

Protective cover for JBL PartyBox 300 series speakers

Protection that helps you take the party anywhere.

When you're not using your JBL PartyBox to elevate the vibe, keep it safe with the JBL PartyCover. Made of the same material as a diving suit, this stylish, durable, dust-proof and scratch-proof cover is lightweight and flexible, but it's strong enough to protect your PartyBox from damage during storage and transport. Protect your sound investment with the JBL PartyCover.

Features

- Dust-proof and scratch-proof
- Durable quality
- Foldable structure
- Design for JBL PartyBox Stage 320 and PartyBox 330

PARTYCOVER 300 SERIES

Protective cover for JBL PartyBox 300 series speakers

Features and Benefits

Dust-proof and scratch-proof
Protect your JBL PartyBox with a dust-proof, scratch-proof covering that will keep your speaker safe and sound, even if you're traveling on a bumpy road to your next party destination.

Durable quality
The JBL PartyCover is constructed out of rubber and double-sided knitted fabric. That's the same material they make diving suits out of, so you know your JBL PartyBox will be well protected.

Foldable structure
While your JBL PartyBox is elevating your party's vibe, the JBL PartyCover folds up neatly so it's never in the way—even when everyone is dancing.

Design for JBL PartyBox Stage 320 and PartyBox 330
The JBL PartyCover 300 series was made for the JBL PartyBox Stage 320 and PartyBox 330. So this protective cover is a perfect fit, every time.
