The ultimate 3D surround experience that will blow you away

You've never heard anything like the JBL Bar 1300—in your living room or anywhere else. More than just a great soundbar, it's a full sound system. It features MultiBeam™ and six up-firing drivers—four in the bar and two in the detachable battery-powered surround speakers—that deliver massive Dolby Atmos® and DTS:X 3D surround sound, centering you in your music, movies, and games. 1170W of total output power and thrilling bass from a 10" subwoofer is more than enough to make the room shake. Though, you'll never miss a word with due to our PureVoice technology, which makes sure the dialogue is clear even when other sounds are at their loudest. When you want to enjoy your favorite tunes choose streaming via either AirPlay, Alexa Multiroom Music (MRM), or Chromecast built-in™ that give you over 300 music streaming options. But that's not all. Your choices are as unlimited as you are because you can also pair the soundbar to your Bluetooth device. You can even take one of the detachable speakers (or both for powerful stereo sound) out to your kitchen or patio and enjoy listening to your favorite music or podcast there.
